LA County Department of Public Health Wellbeing Centers

The Wellbeing Centers, located on many high school campuses, are welcoming spaces where students can relax, along with access information and services for a variety of health topics. Feeling stressed? Anxious? Want to know more about STI prevention? Want to talk with someone about your relationship? Need more information about Fentanyl or how to help a friend slow down on the vaping? Where to get Emergency Contraception?

Find out if your school has a Wellbeing Center by asking your school's main office or by calling Ellen Sanchez at the Department of Public Health (626) 299-4502.

This is a regularly updated resource and is not a comprehensive list. If you would like your school based health center listed or information updated, please contact us at owh@ph.lacounty.gov.
