TB 101 or Tuberculosis Screening Course Registration

Enrollment in either of these two classes is on a first come, first served basis. In the event that a class has reached capacity, every attempt will be made to contact you in an effort to place you in the next available class, however, there are no waiting lists available to place participants in classes that are scheduled beyond this current six month period. Educational calendars are published every six months.

Place a check next to the class in which you would like to enroll:

☐ TB 101 (July) ☐ TB Screening (July)

☐ TB 101 (October) ☐ TB Screening (October)
