

Adult and Pediatric First Aid/CPR/AED Classes

See [links to online and local in-person American Red Cross classes here](#)

Online Only – Does not qualify for certification

\$37.00*

The Adult, Child and Baby First Aid/CPR/AED Online course equips students to recognize and care for a variety of first aid, breathing, and cardiac emergencies involving adults, children and babies. This course is taught online only (accessed via mobile, desktop or tablet) and does not meet OSHA requirements for workplace certification. To receive a valid 2-year Red Cross digital certificate that is OSHA compliant and meets other workplace and regulatory requirements, you must enroll in an instructor-led skill session within 90 days of completing the online course which is an additional cost. We recommend verifying the location of the skills session before registering. If immediate certification is needed, we recommend enrolling in either an instructor-led training or blended-learning course.

In Person – Added to online class qualifies for certification

\$42.00*

This course is for students who have completed the Adult CPR/AED online course. The instructor-led skill session must be completed within 90 days of completing the online portion. Upon successful completion, students will receive a valid 2-year Red Cross digital certificate that is OSHA compliant and meets other workplace and regulatory requirements.

Hybrid: Online & In Person – Qualifies for certification

\$65.00*

This course will prepare you to recognize and care for a variety of first aid, breathing, and cardiac emergencies involving adults, children and infants and meets OSHA/workplace requirements. This is a blended-learning course including an online portion and an instructor-led classroom skill session. The online portion must be completed prior to attending the in-class portion and must be taken on a PC or tablet with a high-speed Internet connection. Allow approximately 2 hours 30 minutes to complete the online portion. Upon successful completion of this course you will receive a digital certificate for Adult and Pediatric First Aid/CPR/AED valid for two years.

In Person: Qualifies for certification

\$82.00*

The Adult and Pediatric First Aid/CPR/AED course incorporates the latest science and teaches students to recognize and care for a variety of first aid emergencies such as burns, cuts, scrapes, sudden illnesses, head, neck, back injuries, heat and cold emergencies and how to respond to breathing and cardiac emergencies to help victims of any age - adults (about 12 years and older) and pediatric (infants and children up to 12 years of age). Students who successfully complete this course will receive a certificate for Adult and Pediatric First Aid/CPR/AED valid for two years.
