

JUMPP Member Organization

Pledge Form

Joint/shared-use is an increasingly important strategy for supporting organizations with limited resources to meet their overall outreach goals. The Los Angeles Countywide JUMPP (Joint Use Moving People to Play) Task Force was formed to create partnerships throughout Los Angeles County in order to activate safe spaces for families to play, learn, and improve their overall well-being. As a Task Force we are actively trying to develop a variety of joint/shared-use agreements through which some Members will be sponsoring and others benefiting from.

As a JUMPP Member Organization you can help:

- Facilitate the development, implementation and monitoring of policies and practices to increase community access to spaces/facilities for physical activity and recreation
- Convene partners (CBO's, governmental institutions, community residents) to foster collaboration, share successes and challenges and advance joint/shared use
- Communicate and disseminate joint/shared use successes and challenges

If you would like to become a JUMPP Member Organization, please insert your Organization's name below and sign this pledge.
