# Residential Care Facility for the Chronically Ill

## for People with HIV

### What is a Residential Care Facility for the Chronically Ill (RCFCI)?

A Residential Care Facility for the Chronically Ill (RCFCI) is licensed to provide services in a non-institutional, home-like environment, which is maintained and operated to provide 24-hour care and supervision to the following people with HIV (PWH):

- Adults 18 years of age or older
- Emancipated minors
- People who are unable to work

### What is the goal of the RCFCI program?

The goal of the RCFCI program is to improve the health status of PWH who need to receive care, support, and supervision in a stable living environment to improve their health status.

### What services can I access through the RCFCI program?

The RCFCI program offers a variety of services that may include 24/7 care for PWH and who are facing mental health issues or other chronic or life-threatening illnesses. Additional services can include case management, counseling, nutrition, and consultative services regarding housing, health benefits, financial planning, and referrals to other community or public resources.

### Where can I access these services?
