Discussion/Action Steps

Welcome

Covid-19 updates –

- Shantell Shared for Child and Family Center
- Rainbow shared updates for their program
 - Araceli shared resource of Safe Haven and The People's Concern
 - Recommendations for confidentiality
 - Share guidelines and recommendations at start of group – ear buds and alone (even if at home w/ family)

Some test at entry and quarantine until results are in

DPH –

- Expectations – all clients must be tested if a client is positive
- Christina Cortes-LAHSa looking into getting testing kits for testing on site – maybe if funded by LAHSa

Deena Good Shephard –

- DHP Coming to do site visit, considering a testing option
- Confidentiality experience – Spreadsheet had names of residents, but test kits only listed initials. With DPH –

Araceli, Rainbow Services –

- Per NNEDV we do not have to share any identifying information if a survivor test positive for COVID-19.

Lily Su Casa –

- Local health dept came out, tested and went smooth and confidentiality was kept – contacted local health dept. and utilized them as resource.
