Introductions/Announcements – Nancy Volpert, Co-Chair and Minty Siu-Kootnikoff, Co-Chair – Minty and Nancy appear in same Zoom box to verify our compliance with County rules that facilitators have to be physically present in a publicly posted location.

Meeting Protocols -Before we begin this meeting, please be reminded that this is an open and public meeting. Therefore, anything discussed are not protected by any type of confidentiality. Any client identifying information should not be presented. Please avoid discussion of personal cases as well. If you need additional resources, please contact the co-chairs after this meeting.

### LEGISLATIVE ISSUES

Remember that the Governor has until 9/30/24 to sign or veto bills. At this point in the legislative year, everything is either “dead,” “enrolled” (passed out of legislature and pending on Governor’s desk) or “chaptered” (signed by Governor as new state law).

For state updates, please check the bill chart.

Note that although AB1799 died, the Mandatory Reporting Task Force made recommendations that were adopted by the Child Welfare Council, and which includes the concepts from AB1799.

As to local City updates, there will be no DART report. CIFD’s RFP was due on September 4 and they expect to have contracts in place for January 1. The Human Trafficking report is being written.

Nothing new from City Council

As far as County motions, all reports have been written, Solis’ February motion being reviewed at LAHSA

- III. EMERGING ISSUES – let us know by 5<sup>th</sup> day of month  
We’ll talk legislative ideas during the November meeting

Jerilyn suggests discussing AI, but really Adam Dodge is the expert on “nonconsensual image sharing” and we might not have more to contribute in this forum

Minty wanted to talk about law firms soliciting TRO defendants before they are served and the jeopardy in which that places victims

#### IV. FOLLOW UP FROM PREVIOUS MEETING ITEMS –

As to the motion regarding restructuring of the Board, the increase in number of Supervisors is not controversial, but the elected executive manager is; we need to see if we can find a speaker on the topic

DV Legal Services funding – no issue pending at this time, just a matter of timing

#### VI. PUBLIC COMMENTS

Jerilyn hopes to get City Hall lit up in purple for DVAM. Stay tuned.

Nancy reminds us that the season for major holidays is nigh, so for the sake of inclusivity, please be mindful of your scheduling of meetings so as not to exclude your Jewish colleagues.

#### VII. NEXT MEETING is scheduled for October 17, 2024 at JFS Hope offices
