

CALLING ALL WOMEN

-RUBY DEE

Reproductive Justice

- ❑ ... the human right to control our bodies, our sexuality, our gender, our work and our reproduction.
- ❑ ...a framework created by women of color that expands beyond the womb, encompassing the many intersections of having a child, not having a child and being able to raise a family with dignity and respect.
- ❑ ...links reproductive rights with the social, political and economic inequalities that affect a woman's ability to access reproductive health care services.

Golden – Jill Scott

I'm taking my freedom, pulling
it off the shelf
Putting it on my chain, wearing it
around my neck

I'm taking my freedom, putting
it in my car
Wherever I choose to go it will take
me far

I'm living my life like its golden
livin' my life like its golden
livin' my life like its golden
livin' my life like its golden
golden

I'm taking my own freedom,
putting it in my song
singing loud and strong, groovin all
day long

I'm taking my own freedom,
putting it in my stroll
I'll be high stepping y'all, letting the
joy unfold
I'm living my life like its golden
