

COREcenter

Connecting to Opportunities for Recovery and Engagement

The C.O.R.E. Center is a part of the Department of Public Health/Substance Abuse Prevention and Control (SAPC). Our main goal is to educate, connect, and provide prevention services to LA County. We are a collaborative program located throughout the county. Services provided are completely free to the public.

Prevention

Information on alcohol and drug prevention, and community advocacy opportunities.

Workshops

Presentations such as preventing teen substance use and vaping, understanding substance use disorders and treatment services, and recognizing signs of relapse.

Support

Peer-to-peer support for families of loved ones using alcohol or drugs.

Opioid Overdose

Training on how to administer medication (naloxone) to reverse an opioid overdose.

Screenings & Referrals

Screenings and referrals to no-cost treatment services for clients who have Medi-Cal and Medi-Cal eligible clients.

The ***Wellness Communities*** throughout LA County offer a place for community members to gather, find resources, or participate in wellness activities. Support includes mental health, substance use, and general health and wellness resources. All activities are **FREE** and open to the community.

MENTAL HEALTH

Healing & Trauma Prevention activities include support groups, healing art workshops, classes, and resources to support the local community. Staff include a mental health expert so visitors can connect to mental health services and resources.

SUBSTANCE USE

CORE offers a welcoming environment where visitors can ask questions about Substance Use Disorders (also known as addictions) and get connected to prevention and treatment services.

HEALTH & WELLNESS

Health and wellness programs are designed to improve connections and health outcomes. In addition, clinic services such as immunizations are offered to those who do not have health insurance or a regular provider.

Who would benefit from the C.O.R.E. Center?

- At risk youth and teens
- People who want to learn more about substance use, abuse, prevention, and treatment.
- Individuals who need to be referred to substance abuse treatment programs.
- All members of the community.

GET HELP

A photograph of a beach at sunset. The sun is low on the horizon, creating a bright orange glow and long shadows. Several tall palm trees are silhouetted against the sky. In the foreground, there is a paved area, possibly a basketball court. The word "THANK YOU" is overlaid in large white capital letters. In the bottom right corner, there is a small grey oval shape.

THANK YOU
