

TRAFFIC CRASHES HURT

ALL OF US IN LA COUNTY

Almost **5,000**
people were taken to a Los Angeles
County trauma center because they
were hit by a car while walking

235 of them died.
That's 2 people every week.

Support streets that slow cars down

Slow down and look for people walking

Tell decisionmakers how you feel
about pedestrian safety

**DEATHS AND
INJURIES AMONG
PEOPLE WALKING
ARE PREVENTABLE.**
