

Community Engagement Team

The Community Engagement Team provides field based substance use prevention outreach in Los Angeles County.

Community Engagement Team Services:

- Provide Information on alcohol and drug prevention and community outreach
- Educational workshops (e.g., substance use prevention, healthy coping strategies, youth awareness, and available community resources) and connect individuals with local support services when needed
- Peer-to-peer support for families affected by alcohol or drug use
- Community trainings on how to recognize and respond to an overdose with naloxone
- Screenings and referrals to support prevention and early intervention
