Los Angeles County's Substance Use Disorder Organized Delivery System

COST RECONCILIATION: FY 2017-2018
Settling at the Lesser of Costs or Charges

October 5, 2017

Los Angeles County Department of Public Health
Substance Abuse Prevention and Control (SAPC)

BUDGETS AND END OF YEAR CLOSE-OUT

COST RECONCILIATION: Settle up to, but not to exceed, the rate for services delivered to patients where allowable costs align with SAPC requirements including business and clinical capacity efforts outlined in the DHCS approved Fiscal and Rates Plan. This process takes effect Fiscal Year 2017-2018.

COST SETTLEMENT: Settle up to the substantiated costs of delivering services to patients which may exceed the established rates. This process ends for all contracts June 30, 2017.

*If you need technical assistance related to **projecting costs and revenue**, it is available free of charge through SAPC's contract with the California Institute for Behavioral Health Solutions (CIBHS).*
