Announcements

Organizational Updates

- Let us know what's new at your organization (trainings events, resources, staff changes, etc.)
 - Are there events you will be hosting or attending?
 - What resources and/or assistance may be needed from any of those represented here, can we provide a training/present?

TBCP Updates

- April King-Todd, Nurse Manager overseeing the TBCP Elimination Education and Evaluation Unit is back!
- In preparation for World TB Day, we are working with California TB Controller's Association to support additional TB Elimination tools
 - California TB risk assessment will align with LA County TB risk assessment
 - K-12 school entry guidance (additional LA County guide for school volunteers and parents)
 - Healthcare personnel testing guidance

Elimination Plan 2020 – 2024 Review

- Preparations for Elimination Plan 2025 - 2029

Los Angeles County TB
Elimination Plan

**UNITING
FOR UKRAINE**

**We can help with
Health Attestations**

COUNTY OF LOS ANGELES
Public Health | (818) 291-8901

The graphic features a blue background with a yellow and white text overlay. On the right, there is an illustration of three people: a man in a teal sweater, a woman in a yellow top and blue skirt using a cane, and a doctor in a white coat with a stethoscope. The text "UNITING FOR UKRAINE" is in large, bold letters, with "UNITING" in white and "FOR UKRAINE" in yellow. Below it, a yellow box contains the text "We can help with Health Attestations" in black. At the bottom left, the County of Los Angeles Public Health logo and the phone number (818) 291-8901 are displayed.
